Copy of letter R.C.7670/48-A2, dated 29-10-1948 from the Collector of Bellary.

Alienation - Land and Land revenue - Bellary Taluk and town - Site in T.S.No.45/5 for constructing Raghava Memorial hall - Proposals submitted.

Some of the leading citizens of Bellary town have formed themselves into an association with the object of reviving to its pristine level, Histrionic talent and dramatic art. The association is named the Raghava Memorial association to commemorate the name of late Sri T. Raghava of Bellary who was a good dramatist. The president of this association which has been registered under the societies Registration Act has applied for the alienation of land and land revenue of a plot of land measuring 0-32.2 cents in T.S.No.45/5 of Bellary taluk and town for constructing a hall to carry on with the activities of the association. A copy of the object for which the association is formed is enclosed.

2. The site applied for has been sub-divided as T.S.No.45/6 and it measures 0-32-2 cents. It is classified as village site in the Accounts. It forms part of the site alienated in favour of the Commissioner, Bellary Municipality in B.P.Misc. 3532 dated 29-11-30 for use as the site of a water works reservoir and park. The Bellary Municipal Council in its resolution C.R.538 dated 26-1-48 has relinquished its right over the site and has recommended its alienation in favour of the Raghava Memorial association. The relinquishment tendered by the Municipality may be accepted.

3 The value of the occupancy right of the site applied for has been fixed as Rs.156 1/4 at Rs.1/- per square yard and it bears a groundrent of Rs.2/- at Rs.6-4-0 per acre. The value fixed for the site is reasonable. The President Raghava Memorial Committee has agreed to abide by the general and special conditions, a list of which is appended below. A sum of Rs.6-2-0 being the survey and demarcation charges was collected from the alienee and credited to the Bellary sub treasury. There is one small margosa tree which is not fit for timber on the site. It is valued for Re.1/- and the Tahsildar recommends that the tree value may be waived. There are no buildings wells, tombs, or grave yards on the site - Notice inviting objections for the proposed alienation cited published in the village and no objections were received.

4 The alienee does not derive any income from the site in question as it is intended for constructing a hall to carry on the activities of the association. As the purpose for which the site is applied for is a bonafide public one, I recommend that the Board may be pleased to obtain the sanction of the Government for its alienation in favour of the president, Raghava Memorial Committee free of market value, groundrent and tree value.

A topographical sketch and alienation proposals in the prescribed form are enclosed.

Please see the B/P's report and its enclosures in the C/F. The Coll's letter on p 5 C/F explains the details of the proposal. It may be seen that the land forms part of the site alienated by the B/P. in favour of the Bellary Municipality for use as the site of a water works reservoir and park. The Municipality has already relinquished the portion proposed for alienation. It is presumed in this connection that the B/P has accepted the relinquishment and issued order of resumption

The President Raghava Memorial Committee has now put in petition to the Government, stating that conditions 3,4, and 7 f the conditions under which the land was alienated will defeat ne purpose of the memorial and request that condition 7 may be mitted and that condition 4 may be modified.

The following are conditions 3,4, and 7 of the conditions nder which the land was alienated.

(3) No other building shall be constructed on the land without he previous permission of the Collector.

(4) The market value of the land shall be collected if at any ime it is found that the grantee derivesa substantial income rom the land. The decission of the Collector on the question hether the grantee derives substantial income from the land shall be final.

(7) No fee shall be levied for the use of Memorial hall.

The President wants the deleti on and modification of the above conditions as the committee intends constructing some subsidiary buildings to increase the usefulness of the hall and to charge ee for the use of the hall contrary to conditions 3,4, and 7.

According to B.S.O. 24(1) and (13) f the question of ollecting market xx value and ground rent will have to be conidered in the case of grant of land to private institutions for emunerative public purposes. In this case though the committee ay derive some income from the hall, it will be utilised for he efficient maintenance and management of the hall. I, therefore, ecommend that condition 4 may be modified as suggested by the resident and condition 7 may be omitted.
